LANSING, Mich. (WLNS) – The Michigan Senate on Wednesday approved a resolution to designate September 11th through the 17th as “Michigan Patriot Week.”

“This is a solemn tribute to those who have died to preserve our liberty and a celebration of the American founding ideal that built this great nation,” said Sen. Ruth Johnson, R-Holly, who sponsored the bill. “It is a week to remember that freedom isn’t free and that we need to ensure the next generation understands and appreciates the founding ideals that over a million Americans have died to protect.”
